Re: Gigi Stetler and RV Sales of Broward v. Equestrian Show Holdings, LLC et al.

Dear Mr. Bellissimo:

This firm represents Gigi Stetler and RV Sales of Broward, Inc. (Collectively "Plaintiffs"), in their efforts to reclaim \$223,618.00 from you, Wellington Equestrian Productions, LLC and Equestrian Show Holdings, LLC, collectively "Defendants" in the theft of audio, video and restaurant furnishings and equipment, and electrical and water metering equipment. Upon information and belief you are the Managing Member of each of the above entities and so notice to them of this civil theft claim is hereby provided through you.

Audio, video and restaurant equipment valued at \$136,618.00 was loaned by Plaintiffs to you to assist you in putting on the 2009 Winter Equestrian Festival and subsequent equestrian events. Plaintiffs sponsored the 2009 event. However, you declined to allow Plaintiffs to sponsor subsequent events and barred Plaintiffs from the 2010 Winter Equestrian Festival and other equestrian events. You removed RV Sales of Broward, Inc.'s name from your website as the 2009 sponsor and replaced the name with that of a competitor. You have failed to return or pay for the equipment which my clients loaned to you. Attached are the invoices and receipts signed by your employees which detail the valuable property belonging to Plaintiffs which you have refused to

return or to pay for. As you know, demand for the return of this valuable property was made by letters dated November 5, 2009 and December 2, 2009. You never responded to these letters.

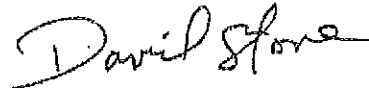

Plaintiffs further demand payment from Defendants the sum of \$69,000.00 which sum represents the 600 amp, three phase electrical panels which Plaintiffs paid for and had installed on your campground. Plaintiffs also demand payment of \$18,000.00 for the three inch main water meter which they paid to have installed on your campground, Plaintiffs had the campground specifically built for use by participants in equestrian events.

Pursuant to Section 772.11, Florida Statutes, Plaintiffs demand that within 30 days from the date of this letter, Defendants make payment to them in the above amounts, which total \$223,618.00. Pursuant to the F.S. Section 772.11, Plaintiffs are entitled to recover three times the amount of the loss that they incurred as a result of your activities. Accordingly, Plaintiffs are entitled to \$670,854.00 from Defendants as a result of Defendants civil theft, but Plaintiffs will agree to settle now before suit is filed for the sum of \$223,618.00.

If Defendants comply with this demand, Plaintiffs will provide Defendants with a written release from further civil liability as to the above identified civil thefts. If we fail to settle, Plaintiffs will seek triple damages in a civil theft lawsuit, pursuant to F.S. Section 772.11, and will also seek attorney's fees and costs.

Please govern yourself accordingly.

Very truly yours,

David Stone
